TORONTO PARKING AUTHORITY
GREEN P PARKING FACILITIES
RATE CHANGES

Please be advised rates charged at select Green P parking lots will be changing. Rate changes will be implemented as follows:

- **Daily Rates:**
 - Uncontrolled Facilities for implementation starting on **January 14, 2019**
 - Controlled Facilities for implementation on **February 19, 2019;**
- **Monthly Rates** effective **February 1, 2019**

These rate changes were approved by the Board of Directors of the Toronto Parking Authority (TPA) at its meeting of October 24, 2018, and its meeting of January 29, 2019.

Note: At a number of uncontrolled facilities that have a high occupancy and/or a large number of long-stay parkers, TPA has removed the day maximum, and where applicable, either left the half hour rate as is or reduced it slightly. The removal of the day maximum and in some instances a reduction in the half hour rate will accommodate short-stay patrons and deter all day parkers.
